Three-Day Offline Workshop on ETHNOGRAPHY AND DOCUMENTATION OF CULTURE

About the Workshop

2nd Workshop in the Series!

Our first edition in Bhopal brought together 40 participants from 14 institutions—and now we're back with an even richer experience!

This 3-day workshop introduces key methods of ethnographic research and cultural documentation through lectures, discussions, and hands-on practice.

Participants will gain hands-on orientation in:

- Introduction to ethnography and fieldwork
- Participant observation and field notes
- PRA Techniques
- Visual documentation (photography and video)
- AI in Ethnography
- Ethical issues in ethnographic research
- Half-day guided field visit to **RAMPURA VILLAGE - M. N. Srinivas's THE REMEMBERED VILLAGE**

Who Can Apply

Students, research scholars, early-career researchers, museum professionals, and anyone interested in anthropology, ethnography, and cultural documentation.
